

We are happy to present a beautiful, custom award to each of the BEST OF CATEGORY winners. It includes etched glass, and blue-pigmented cast aluminum. It is a full 7" tall, 3 pounds in weight, and displays the American Graphic Design & Advertising 27 identity along with three lines of the winner's choice of credit information.

In addition, all AGDA winners have the opportunity to purchase our Award of Distinction. The same height and weight as the one described above, your red-based award with etched glass will commemorate your prestigious selection as a winner in the competition that showcases the Best Graphic Design & Advertising in America.
